

# **VTCT Level 2 Certificate in Nail Treatments**

## **Nail Technology (IHBC)**

### **Who can do this course?**

For those students with a recognised qualification in manicure who would like to add to their skills with false nail application.

### **What is involved in the course?**

The practical application of acrylic nails, including nail tips, natural nail overlays and a demonstration of wraps. The course will also cover repairs, maintenance and removal.

### **What is the qualification and how is it gained?**

VTCT Level 2 Certificate in Nail Technology achieved through continued assessment, written tests and a portfolio of evidence. Home practice is essential to gain the confidence and competence to meet industry standards.

### **How is the course taught?**

Practical & theory will be completed in the training suite; you will work on other students and clients to achieve the industry standard.

### **What skills will I learn?**

All the practical skills and theoretical knowledge to apply a full set of acrylic false nails and their maintenance.

### **What will I require to do the course?**

Students will be required to train in a professional uniform and a therapist's uniform order sheet can be supplied on request. Students are provided with a training manual but will need to supply notepaper & pens.

### **Equipment costs to the student**

The Glasshouse Therapy Centre (GHTC) will provide basic equipment to use during the course, however, students will be required to purchase a professional advanced nail kit for training purposes and continued use away from the centre. The total cost of the kits is approx £70. Order form supplied on booking.

### **Length of course**

This is a 2-day course with a final assessment day to be negotiated between the centre & student
