

## **VTCT Level 2 Certificate in Nail Treatments Manicure & Pedicure (IHBC)**

### **Who can do this course?**

This is a course for anyone who would like to work as a manicurist in the beauty industry. Once you gain this qualification, you can continue to complete a course in false nails (advanced nail technology).

### **What is involved in the course?**

Your practical skills will cover shaping, preparing and painting of nails on the hands and feet, massage to hands and feet, hot oil treatments and the wonderful application of paraffin wax. You will study the anatomy of the skin and nail as well as hygiene and legislation

### **What is the qualification and how is it gained?**

This is a Level 2 Certificate, which will allow you to work as a mobile or salon based nail technician. Continued assessment of practical skills, assignments and a portfolio of evidence will be required.

### **How is the course taught?**

Through a combination of practical and theory lessons in the training suite where you will work on clients and students. Home study is essential to gain experience and further evidence for the student portfolio. Clients will be provided by the Glasshouse Therapy Centre (GHTC) during the course.

### **What skills will I learn?**

The required industry skills to carry out a professional manicure or pedicure treatment.

### **What will I require to do the course?**

Students will be required to train in a professional uniform and a therapist's uniform order sheet can be supplied on request. Students will be provided with a training manual but will need to supply notepaper & pens.

### **Equipment costs to the student**

GHTC will provide basic equipment to use during the course, however, students will be required to purchase a professional manicure & pedicure kit for training purposes and continued use away from the centre. The total cost of the kits is approx £60. Order form supplied on booking.
