

## **VTCT Level 2 Certificate in Thermal Auricular Therapy (IIHHT)**

### **Who can do this course?**

This is an excellent course for all therapists working in the holistic or complementary therapies industry. An excellent qualification to add an additional skill to their name.

### **What is involved in the course?**

The history of ear candling, common conditions of the head, ear and those that benefit from the treatment. It is essential to study the anatomy of the ear and associated parts. Learn a basic facial massage within the treatment. Learn how to write case studies and consultation skills. Gain an understanding of employment standards and health and safety.

### **What is the qualification and how is it gained?**

This is a Level 3 Certificate in Thermal Auricular Therapy, which will be gained through case studies, written tests and a portfolio of evidence.

### **How is the course taught?**

The course will be delivered over two days using a blend of practical and theory classes. Students will be required to complete written assignments and case studies away from the centre on completion of the training.

### **What skills will I learn?**

The skills & techniques required to complete a competent treatment.

### **What will I require to do the course?**

Students will be required to train in a professional uniform and a therapist's uniform order sheet can be supplied on request. Students will be provided with a training manual, however, notepaper, pens and personal small pillow and hair clip will be required.

### **Equipment costs to the student**

The Glasshouse Therapy Centre (GHTC) will provide basic equipment to use during the course, however, students will be required to purchase two sets of professional ear candles for training purposes. The kit cost is approx £30  
Order form supplied on booking.

### **Length of course**

This is a 1-day course with a final ½-assessment day to be negotiated between the centre & student
