

VTCT Level 3 Diploma in Epilation & Skin Blemish Removal (now includes milia) (IHBC)

Who can do this course?

Therapists who have a minimum of 3 years experience in providing Diathermic Epilation. An excellent addition to an electrologist's range of skills.

What is involved in the course?

You will learn how to use a diathermic current to cauterise capillary vessels, remove skin tags & milia.

What is the qualification and how is it gained?

This is a VTCT Level 3 Diploma in Skin Blemish Removal, which requires continued practice to ensure a therapist can recognise a realistic treatment and provide competent cauterisation through practical assessment and a portfolio of evidence.

How is the course taught?

A blend of theory and practical sessions in the training suite, you will be fully supported whilst you develop confidence. Clients are provided by the Glasshouse Therapy Centre (GHTC) during your course.

What skills will I learn?

The required skills to provide a competent and safe treatment for skin blemish, skin tag and milia removal.

What will I require to do the course?

Students will be required to train in a professional uniform. GHTC can provide a therapist's uniform order sheet supplied on request. Students will be provided with a training manual but will need to supply their own notepaper & pens.

Equipment costs to the student

GHTC will provide basic equipment to use during the course.

Length of course

This is a 2-day course with a final assessment day negotiated between the centre & student

When can I start the course?

All training completed at GHTC is bespoke and delivered to suit your busy timetable. A simple phone call will inform you of current available dates.
